Skills

- Collaboration and teamwork 
- Debugging and problem-solving 
- Agile methodology 
- java 
- react 
- mysql 
- HTML 
- CSS 
- Javascript 

Profile

My objective is to apply my software development experience to a challenging role within a dynamic organization. With a strong technical background in coding and problem-solving, I am eager to utilize my skills in designing and developing innovative software solutions. I am a dedicated team player with a passion for learning and a desire to contribute to the success of the company.

Education
